Paul,

Cameron Mapson: I like Camp Rockmont because I played with new people. I went swimming in the lake and I was in a cabin with funny people. I also liked waking up in the morning and going to the gym and going fishing. Also, I liked the food and I liked horseback riding. I also liked canoeing in the lake.

Damonte Jones: I like Camp Rockmont because everyone tries to support you. I like how the staff helps you not get in trouble. If I had a problem I would tell the staff about it. I would not handle it on my own. But most of all I like all the activities, waterfront, horse backing, free swim, etc. I also like the nature house and archery. I love everything about Camp Rockmont.

Kalib Moore: I like Camp Rockmont because I get to have fun. I get to learn about new experiences, the natural world and also get to meet people from all over the United States. I liked the way we can go to the gym early in the morning and I like the games we played! I pretty much liked everything about Camp Rockmont!

David Hamilton: I like Camp Rockmont because I get to meet new people and do fun things, and I like the way the counselors make you feel good and safe no matter what, and I like the food and games too.

Cal Cal McNish: I like Camp Rockmont because it is a fun place and has cool experiences for kids to learn. It is a good place for kids to explore and learn. It has a lot of fun activities and I want to go back next year!
