Dear Mr. Gwaltney,

We at the Boys & Girls Club of Cleveland County have been extremely busy wrapping up our summer program, opening a new unit in a local school, and preparing to open a new teen center in October. But before time slips too far away though, I wanted to sincerely thank you and the Camp Diversity Foundation for providing seven of our young men with the opportunity to attend Adventure Week at Camp Rockmont this summer. That week was the highlight of the summer for our boys and they cannot wait until next summer in hopes of getting the opportunity to attend again. They came back with stories of the blob, the zip line, and paddle boarding, but most of all stories about the outstanding staff who welcomed them and mentored them. So many of our kids lack positive adult role models in their lives and would never be able to have this kind of experience without your generosity and support. Thank you again for all that you do for young people. I look forward to working together in the future.

Sincerely,

Joshua S. Propst
Executive Director
